Mathematics		
Chemistry		
Biology		
Physics		
Science (combined)		

If you do not meet the entry requirements for our pathways, you will not be able to enrol into Post 16 education at The Hayesbrook School.

Student name:

Option Blocks

Please read all the information below carefully

Students must pick **3 subjects** below by ticking the box next to the subject title. Please note that both Sport and Physical Activity and Business Studies (double) are the equivalent of two A levels and therefore only need to be selected alongside one other subject (both Sport and Physical Activity and Business Studies (double) can be selected together).

Students can elect to take the prospective football academy pathway in association with the Chelsea FC Foundation but they must still choose the same number of courses.

All students are expected to participate in the Work-related learning and Extended Project enrichment opportunities.

Subject choices	
Business Studies (single)	
Business Studies (double)	
Digital Creative Media	
English Literature	
Geography	
History	
Information Technology	
Mathematics	
Medical Science	
Product Design	
Sport and Physical Activity	
Subject to be studied at Hillview	

Enrichment choices	
Football Academy In Association with Chelsea FC Foundation	
Duke of Edinburgh's Award	
Work-related learning	✓
Extended Project Qualification	✓

If the student has chosen to study a subject at Hillview School, please state this subject below:

.....

Please be aware that, while it is our intention to run all of the Sixth Form courses offered within our prospectus, courses may not be viable if application numbers to them are low.

For any external students, upon receiving an application, the Sixth form team will contact you to arrange a formal discussion to which your parents/carers will also be invited in order to go through your subject application; it is not a selection interview. Please make sure all information on this form is correct and sign below.
