English Literature		
Mathematics		
Chemistry		
Biology		
Physics		
Science		
Option A		
Option B		
Option C		

If you do not meet the entry requirements for our pathways, you will not be able to enrol into Post 16 at Hayesbrook.

Option Blocks – Please read all the information below carefully

All students: you must pick **3 subjects** from the blocks below by ticking the box next to the subject title. Please note that both Double Sport and Double Business are the equivalent of two A levels so need to be selected alongside one other subject (both Double Business and Double Sport can be selected together).

All of our students experience work related learning and enrichment opportunities.

Students can elect to take the football programme in association with the Chelsea FC Foundation but they must still choose the same number of courses.

Subject choices	
Maths A level	
English Literature A level	
Double Business	
Single Business	
Double Sport	
Medical Science	
Product Design A level	
ICT	
History A level	
Geography A level	
Digital Creative Media	
Enrichment choices	
Chelsea FC Foundation Football Academy	
Sports leadership qualification	
Work related learning	✓
Extended Project Qualification	✓

Please be aware that while it is our intention to run all courses offered within our prospectus, courses may not be viable if application numbers to them are low. We will endeavour to notify students and parents/carers of any changes to the curriculum offer at the earliest opportunity.

For any external students, upon receiving an application, the Sixth form team will contact you to arrange a formal discussion to which your parents/carers will also be invited in order to go through your subject application; it is not a selection interview. Please make sure all information on this form is correct and sign below.
