Dear Students and Parents

Sixth Form

Now that we have received your application to join the Sixth Form, or you are still considering an application, we would like to provide students with some resources to get ready to join the Sixth Form. For those of you who have applied and are excitedly looking forward to the return to education to pursue a university future or career of your choice then we have prepared some transition booklets for you to download and complete (the password is 'hayesbrook' for all of the booklets). The booklets will provide you with a really strong sense of what it is like to be a Sixth Form student, but also to challenge yourself academically to become more rounded and grounded in the subjects you have chosen prior to starting in the Sixth Form.

Please download the booklets for the courses that you are interested in from <https://www.hayesbrook.kent.sch.uk/6thformjoining> then complete the activities and return them to post16@hayesbrook.kent.sch.uk by Wednesday 1 July 2020.

The page also includes resources for students interested in joining the Chelsea FC Foundation football programme at The Hayesbrook School. A technical home fitness programme is included as well as video messages from Chelsea FC Foundation coaches <https://drive.google.com/drive/folders/1hrlUUqqAgNv5SxVLHRYcyT9FYD1IOgiP>

Applications to join the Sixth Form will remain open until September 2020 and any prospective students should contact post16@hayesbrook.kent.sch.uk should they wish to find out more information about our brilliant experience or apply.

Please keep a close eye on the page for further updates about the Sixth Form as we will share further resources for you to engage with.

Yours sincerely

Steven Reader
Assistant Principal
