Dear Hayesbrook Families

## Thank you

In these difficult times, we appreciate that managing home learning will be one of many challenges families face on a day to day basis. Some families are dealing with the worry of Covid-19 affecting their loved ones; others are supporting family members who are critical workers on the frontline – and each family is faced with its own set of unique circumstances.

We appreciate that you are doing the best that you can to support learning and we wanted to take this opportunity to thank you for your hard work and support, for embracing the changes we have made and for continuing to stay in touch with us throughout the Summer Terms. As this situation continues we will inevitably begin to hear about both suspected and confirmed cases of Covid-19 that effect people close to the school and the people linked to it. Please be reassured that if we have either a suspected / confirmed case that is related to our onsite provision, we will follow government guidance with our response.

Take Care

Collette Nelson  
Head of School
