

15 June 2020

Dear Parents/Carers

University Fair on Wednesday 17 June 2020, from 12.00 to 18.00

At this time of year we would normally be encouraging pupils to think about University and Apprenticeship futures. As Universities are now closed until the Autumn, we are pleased to be able to share with you a University Fair on Wednesday 17th June from 12.00 to 18.00 <https://ukuniversitysearch.vfairs.com/>.

This will be a really powerful event that will include webinars from Universities, workshops on how to apply and students will also be able to ask questions to those exhibiting. We would like to invite students in Years 10, 11 and 12 to view this Webinar which is completely free of charge to our students. The webinar timetable can be located here <https://ukuniversitysearch.vfairs.com/en/webinar-timetable> and this will be useful for students to be able to identify which sessions they wish to attend. It is also important that they register beforehand so that they can login in without any delay.

We hope that pupils enjoy the event and any questions or queries about post 16/18 futures can be directed to Mr Reader via post16@hayesbrook.kent.sch.uk

Yours sincerely

Steven Reader
Assistant Principal
