

Advice for students travelling by rail

Some students will need to use rail to get to and from school from September. As the government eases lockdown restrictions, train companies are doing all they can to keep passengers and staff safe. We are also asking passengers to adapt to a different way of travelling, and in particular, to take on these key messages.

When planning your journey by train, please follow this guidance

Travel at quieter times

Carry hand sanitiser and wash your hands before and after travelling

Wear a face covering

Buy your ticket online and get it on your mobile or Smartcard

Check before you travel at nationalrail.co.uk

Plan Ahead

- Check before you travel – [services have changed](#)
- Buy tickets online, use contactless payment
- Travel at quieter times if you can

Consider others and stay safe

- If you are 11 and over you need to wear a face covering (unless you are exempt).
