

8 September 2020

Dear Student

GCSE Examinations

As part of the GCSE and A level processes for 2020 there exists an opportunity to sit your GCSEs in November if you are unhappy with your grades. Students who are enrolled in our Sixth Form and are in our English and Maths resit groups will be entered for those subjects. If you are attending a new educational setting from September 2020 you need to be entered by your new provider for these subjects.

For all other qualifications pupils will be able to access the examinations at The Hayesbrook School for the November 2020 examination series.

Pupils who have joined us from another school in Year 12 will need to contact your previous school for the same opportunity. As part of the resit opportunity, pupils will need to sit all papers associated with their GCSE. For example a resit GCSE in History would require all three papers being sat.

Please email exams@hayesbrook.kent.sch.uk if you would like to register for an exam series in November 2020.

Please confirm your name, the subject that you need to sit and your current educational provider.

The internal deadline for requests to be entered is Friday 11th September 2020.

Please see overleaf for table of examinations.

02/11/2020	am	GCSE English Language 1 resit
02/11/2020	pm	GCSE Computer Science 1 resit
03/11/2020	am	GCSE Maths 1 resit
