Dear Families

Thank you

I am writing to express my appreciation and gratitude in how parents and carers have responded in respect of the re-opening of the Academy.

Student attendance is well above the national average at this time and that is a result of the co-operation and support that our families are showing – not to mention the positive attitude of our students who continue to make us proud every day.

Your continued support and high standards are very much appreciated. Let's continue working together to keep attendance high and students engaged.

From all the staff at The Hayesbrook School – thank you.

Kind regards

Mr St John
Head of School
