

5 November 2020

Dear Parents/Carers

November 2020

It's that time of year again when our male friends and family can put down their razor blades and start cultivating a tash to be proud of!

Movember is an annual event involving the growing of moustaches during the month of November to raise awareness of men's health issues such as prostate cancer, testicular cancer and men's suicide.

To show our support and get involved a handful of staff at Hayesbrook are growing moustaches...but with a twist!

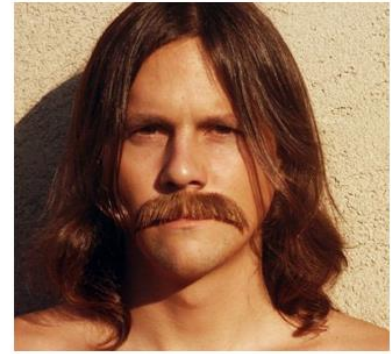

We have set up a just giving page to support two charities: The Campaign Against Living Miserably (CALM) which is a leading movement against suicide, the biggest killer of men under the age of 45 in the UK and The Hospice in the Weald which provides care completely free of charge to patients with terminal illness. We are asking our families and the wider Hayesbrook community to make a donation to help support these amazing charities – when the donations are tallied up on 23 Movember, depending on how much we raise will determine the style the staff must shape their tash into! See the array of styles below:

The Artist - £400

The Trucker - £500

The Rock Star - £300

The Jeremy - £250

The Magnum - £450

The Victorian Gentleman - £600

Let's see if we can hit the £600 mark – we all want to see Mr St John rocking this look!

To support these fantastic charities see our just giving page – link below:

<https://www.justgiving.com/fundraising/sebastian-st-john>

We have held an assembly with students to discuss these important health issues and we hope that this will generate some discussion at home as well.

For more information about Movember and men's health issues, please see links below:

As ever we thank you for your continued support - any donation (no matter how small) will be very much appreciated.

Kind regards
The Hayesbrook School

Guess who?...
