Dear Parents/Carers

November 2020

As you know a number of Hayesbrook staff are growing facial fuzz all in the name of charity. Our target amount to raise was £600 and we're delighted to announce that we've already smashed it – current donations are at £890!

Thank you to all who have helped us reach this amazing sum – we're all very much looking forward to seeing our colleagues, or should we say 'Victorian Gentlemen', walking the corridors of Hayesbrook.

Some of the students have been making their own requests to staff for moustache shapes and styles so as an added bonus, if we hit our new target of £1200 students and families will have the opportunity to vote for a specific style for each member of staff taking part in this fantastic cause – if no preference is voted for a member of staff it'll default to the Victorian Gentlemen.

With just over one week to go let's see if we can reach the new target and give students the chance to stitch up their teachers!

Thank you again for your continued support - any donation (no matter how small) will be very much appreciated.

Kind regards
The Hayesbrook School
