Dear Parents/Carers

Cooking at Home

It has been really lovely to welcome our KS3 students back into our classrooms. As you are aware we are not currently able to cook with our younger students due to the bubble system we have in place, and the priority has to be KS4 so they can complete their GCSE course.

I would like to support families as much possible to help ensure students can carry on cooking at home to practice their skills. To that end we would like to provide your son with a bag of ingredients and recipe cards that can be collected and taken home every two weeks. The idea being you can then cook with your son to make some tasty treats! We have told students that they cannot cook without an adult present.

Over the coming weeks there will be recipes and ingredients for:

- Scones
- Dutch Apple Cake
- Cookies
- Bread sticks
- Fruit crumble
- Savoury rice

All of the recipes will be nut free, but we cannot guarantee lactose or gluten free. Ingredients will be weighed and prepared in school and we will be wearing full PPE when in contact with the food and the bags etc.

If you would like to be part of this and receive the ingredients and recipe, please book by contacting Reception on 01732 500600 by Monday 23 November as we would like to start handing out the bags week beginning 30 November.

We are hoping that many families sign up and cook, take photos of their efforts for us to see and above all enjoy the dishes!

Kind regards

Miss Higgins
Curriculum Leader – Design and Technology
