

19 November 2020

Dear Families

Sixth Form

We are currently in the process of promoting our Sixth Form provision to showcase The Hayesbrook School to prospective students and their families. On Monday 23 November a representative from Kent Live will be coming to the academy to film our sixth form in session to capture our students studying, interacting with their peers and teachers and engaging in academy life. Please be assured that the same high level of hygiene, social distancing and necessary measures to protect the health and well-being of both students and staff is in place and will be adhered to.

We will of course also ensure all the necessary photo permissions are in place before asking your son/daughter to participate. We note that we have a handful of students where the completion of photographic consent has not to date been received. Where this applies, we will send a separate communication asking you to complete the required form for our records.

Should you have any questions or concerns regarding the contents of this email, please contact the school office on 01732 500600.

Kind regards

Nicki Young
Head of Academy Administration
