

1 February 2021

Dear Students,

## **Student and Staff Valentines Bake Off - Make something yummy for someone you care about!**

More than ever we need to show how much we care about each other. Get involved with our competition and show someone you care by making them something yummy. It could be a delicious cake for your mum or a tasty pie and chips for your dad, or maybe your little brother or sister might deserve a little cookie, or some chocolate truffles for someone special! Whatever you cook, post a picture on SMHW of your baking skills and explain who it is for. There will be prizes for those who go the extra mile to make someone feel special!

Entries must be posted on SMHW by **10.00am on Wednesday 10 February** and winners will be announced on Friday 12 February 2021.

**Students – please remember you should only cook at home when an adult is with you.**

Have fun and good luck!

Miss K Higgins  
Curriculum Leader – Design and Technology
