Dear Families

## A Letter from our Head Girl and Boy

Elle and I would like to say a massive thank you to everyone, students, families and teachers. We appreciate that getting through lockdown and reaching the end of this tough term was hard and we would like to congratulate everyone for how well they have done.

Situations like these are extremely rare, so it is a real accomplishment that everyone has got through lockdown. This could be struggling to complete work throughout your time at home or working your absolute hardest, the fact still stands that you all have achieved something within this period of time.

As we move into the Easter holidays we want you to take this time to relax and reset for the new term. We will be setting challenges to keep you active and there will be a competition within your year for these challenges. These challenges are both creative and exercise related!

1. Our first challenge is who can bake the best **Easter Cake**. Get creative, involve your family, and send in the photos. We would love to see all the different designs that you all come up with.
2. Our second challenge is more exercise related - who can cover the **Furthest Distance** in kilometres in the two week holiday. This could be running or walking but just get those kilometres completed and send us your photos of any views you pass on your route, or even send us your screenshots of where your route has taken you.
3. To link into this competition we are setting our third challenge to be a test of who can run the **Fastest 5km** run in each year group. You can complete as many 5km runs throughout the two weeks to try and beat your best time.
4. Our fourth and final challenge is an **Easter Art Competition**. It could be simple or complex and it could be a drawing or a collage. We will judge based on who we think has been the most creative and fun with their art piece and this will again be judged via photos that have been sent in.

Please email photos of your bakes and artwork, and screenshots of your distances/speeds to [secretary@hayesbrook.kent.sch.uk](mailto:secretary@hayesbrook.kent.sch.uk) and we will then choose the prize winners!

To conclude we would both like to say a massive well done for getting through lockdown and this term and we hope to see you all back and ready to learn in the new term.

Yours sincerely

Joseph Bottley and Elle Nikhwai  
Head Girl and Head Boy
