and Sector list.xlsx

**SKY apprenticeship information sessions for customers.** We are currently running a campaign in partnership with Sky to support getting out customers into their Contact Centre and Home Service Apprentice programmes across the UK which are open for applications Now! These roles will be open to anyone from any educational background and age, that are able to drive. In preparation for this, we will be hosting a couple of exclusive events to support candidates interested in this programme where they can talk to, and hear from our existing home service and contact centre team members and really get to understand what the

experience and journey may look like before applying for the programme. We will also cover what the programme will involve, the support we'll provide, and deliver an in-depth look into how to successfully progress through our application process.

Register your interest - <https://targetfeedback.gtisolutions.co.uk/surveys/sky-home-service-register-interest-form>

Open to all – apply via our website
