

6 July 2021

Dear Parents/Carers

Enrichment Programme

I am very pleased to inform you that from September our Enrichment Programme will return after being suspended for the past academic year due to COVID-19.

Enrichment is a part of our co-curricular provision where students are given a safe environment to take part in a variety of activities that they may not normally have the opportunity to try. Our aim is for students to challenge themselves, feel success and be given the opportunity to find out more about their interests and passions, as well as discover new pursuits. The Enrichment Programme also supports the personal development of our students and nurtures key attributes such as resilience, confidence and independence.

Enrichment will continue to be delivered on a Thursday after school and will run from 2.55pm till 3.45pm. Your son/daughter will receive further information about what activities are on offer when he/she returns in September.

Yours sincerely

Ruth Christmas
Associate Assistant Principal
